The Good Egg Guide¹ for a #traffikfree Easter

Much of the chocolate that finds its way into our shops and homes is made with cocoa from Cote d'Ivoire plantations that use trafficked children. They are kidnapped or their families are tricked, forced to work in the cocoa plantations from an early age, for long hours, in dangerous working conditions, without any possibility of attending school.

A global movement has begun to change this. The movement tackles poverty and empowers producers who are doing the right thing. Farmers operating with Fairtrade Certification, Rainforest Alliance or UTZ Certified are engaging in good labour practices. Join the movement this Easter. Choose certified Traffik-Free chocolate, support the farmers and STOP THE TRAFFIK.

Our activists often have difficulty purchasing Traffik-Free chocolate. This year we are asking Coles and Woolworths supermarkets to double their product range for 2016 (they order shortly after Easter 2015) and we are thanking those stores such as Aldi and Haigh's for giving us an excellent selection. To order cards to take to the supermarket managers please go to www.stopthetraffik.com.au
